Summer Training Camp (STC) is our family's favorite summer occasion. Imagine that you're listening to a spiritual speech while watching for the sun to rise with the sound of chirping birds and the smell of the crisp morning breeze, Subhan'Allah....!

Hani- Houston, TX

Muktamar is the best Muslim conference ever! Staying in the world-renowned hotel chain while simultaneously increasing our Islamic knowledge and iman by listening and learn from top-notch ustad/ustadzah. Once again, this is absolutely affordable family-friendly event simply you can't miss!

Amang- Reston, VA

Tahsin is an amazing program. I have gained motivation and encouragement to increase the knowledge of Quran more and more. I am also making excellent progress in reciting Quran with Tajweed.

Thank you for your generous donation!

There are many benefits to joining IMSA such as gaining self-confidence as Muslim which very crucial when we live in non-Muslim country, participating in sharing Islamic knowledge with other members. Alhamdulillah, I am lucky enough to be a part of a great dakwah organization.
